 Phone: +91-9391386025

 Email: dharankasukurthi@gmail.com

 Location: Ongole, Andhra Pradesh, India

PROFESSIONAL SUMMARY

Motivated and detail-oriented fresher with strong fundamentals in programming, problem-solving, and computer science concepts. Eager to apply theoretical knowledge to real-world projects, learn quickly, and contribute effectively to a growing organization.

EDUCATION

Bachelor of Engineering in Computer Science Engineering

Krishna University College of Engineering and Technology, Machilipatnam

Aug 2020 – Apr 2024

CGPA: 7.63

Pre-University Course (PU)

Sri Prathibha Junior College, Ongole

Jun 2018 – Mar 2020

Percentage: 80%

Secondary School Leaving Certificate (SSLC)

Sahasra High School, Kamepalli

Jun 2017 – Mar 2018

Percentage: 98%

TECHNICAL SKILLS

Languages: Python, SQL, HTML, CSS, Java (Basic)

Operating Systems: Windows, Linux (Ubuntu, CentOS)

Databases: MySQL, MySQL Workbench

Cloud Technologies: AWS (EC2, S3, RDS, IAM, Lambda, AWS Transfer Family)

Soft Skills: Leadership, Problem-Solving, Collaboration

PROJECTS

Identification of Fake Indian Currency Using Hybrid Convolutional Neural Network

- Designed and implemented a hybrid CNN model to classify genuine and counterfeit Indian currency notes.
 - Trained the model on a diverse dataset of currency images to learn intricate visual patterns and security features.
 - Achieved accurate classification by leveraging deep learning-based feature extraction and image processing techniques.
 - Gained hands-on experience in Python, CNN architectures, data preprocessing, and model evaluation.
-

INTERNSHIP

Front-End Web Development Intern – Raice Tech Soft Pvt Ltd

- Completed an internship in the web development domain, focusing on front-end technologies and real-world project delivery.
- Strengthened practical skills in designing responsive and user-friendly web interfaces while working in a professional environment.

Project: Tech Marine Company Website

- Developed the front-end of the main website for Tech Marine Consultancy Services (TMCS).
 - Built a fully integrated consultancy website aimed at job seekers and businesses.
 - Showcased services including mobile application development, web design & development, digital marketing, and data security.
 - Designed and implemented the complete main page UI using HTML, CSS, and Bootstrap.
-

COURSES & CERTIFICATIONS

- Front-End Web Development Certification – Raice Tech Soft Pvt Ltd
 - Basics of Ethical Hacking and Computer Forensics – Cyber Warrior
 - MySQL Certification – Udemy
-
